TEACHERS ASKED FOR CO-OPERATION

BY MR. EEK DURING DEFENSE DAY AND FALL SHOW.

SCHOOL BILL EXPLAINED

Annual Teachers' Meeting Winds Up Today—Miss Davison Stressed Prevention Tuberculosis.

"The Soviet Government of Russia is spending $1,600,000 in America every week in an attempt to undermine American patriotism," said L. M. Eek, president of the Maryville Chamber of Commerce, in an appeal this morning for the Nodaway County teachers to cooperate with the city of Maryville in the National Defense Day test and in the School and Farm show, both of which are to be held this fall.

"There are over four million 'pinks' in the United States who are advocating Pacifism but are really agents of the soviets and are only seeking to break down America's government. It is for this purpose that we are to observe a National Defense Day test in order to ascertain how many loyal Americans will respond to the call of the country and to instill again a spirit of patriotism in every American school child."

Mr. Eek urged that the teachers assist in all possible ways to make the Defense test a success in their community and to stem the tide of pacifism which is Bolshevism in disguise.

The Community School bill, which is to be introduced by Charles A. Lee, State superintendent of Schools, was explained in detail to the teachers this morning by Mabel Cobb. The bill provides that there should be no district maintained which is elss than fifty square miles and less than $1,500,000 assessment. This is the average count which statistics show is required for the financing of a first class high school. Miss Cobb stated that the fact is true that the larger the school the less waste in expenditure results. Under the new school ruling the school taxes would be more nearly equalized and the chances for a good education of rural pupils would be assured.

The meeting opened at the high school auditorium this morning with community singing which was lead by Mrs. L. L. Livengood. This was followed by a talk on Health, which was given by Margaret Davison of the Nodaway County Health Department.

Miss Davison stressed the prevention of tuberculosis and said that the teachers of rural schools should act as supervisors of the children's health. Proper ventilation, plenty of play and exercise, and seeing that the children maintain normal weight and that their general health is good, were the points which Miss Davison stated the rural teacher should be responsible for. Miss Davison also told of the work which is being done by the County Health department and assured the teachers that they would receive the fullest cooperation from the department in their work.

The awards for the Red Cross seals sale were presented to the winning schools by Leslie G. Somerville, County superintendent of schools this morning. Mt. Joy won the banner whch was offered to the rural school which sold the most seals per capita. The cup was awarded to the Ravenwood High School on the same basis of competition among the high schools of the county.

Add Teachers meeting ....

L. L. King followed with a talk on the importance of becoming a member of the Missouri State Teachers Association. He emphasized the fact that membership meant cooperation with the other teachers of the state and also served to enlighten the teacher on the latest of projects and methods of teaching which are accepted by educators.

The program for the morning was concluded with a speech given by Mrs. Harry B. Rutledge which dealt with the program of the Nodaway County Unit of the Missouri Tuberculosis Association. Nodaway County receives half of the total amount secured from the sale of the Red Cross seals and bonds. The talk of Mrs. Rutledge served to point out to the teachers for what purpose this money was being used in the county.

Advance Guard Greets Dawes at Omaha, Neb.

Vice Presidential Candidates to Speak in Nebraska State Capital This Evening.

Omaha, Aug. 29.—An advance guard of forty Republicans from Lincoln greeted General Charles G. Dawes, Republican vice-presidential candidate, when he arrived here today en route to the state capital where he will speak tonight.

It is estimated a crowd of 40,000 persons from all over Nebraska will hear the candidate when he starts his agriculture address.

In the delegation were many former neighbors and business associates of Dawes who knew him as a young lawyer in Lincoln in the several years following his graduation from law school, where he was practicing there.

1ST M. E. CHURCH WILL ISSUE BONDS

IS A PART OF ITS BUILDING PROGRAM—$100 Denominations.

$100 DENOMINATIONS

Will Pay 6 Per Cent Interest—Farmers Trust Co. Will Be Trustee —Runs for 5 Years.

The First Methodist Episcopal Church in Maryville, in putting over its building program, has decided to issue a series of bonds in denominations of $100 and up, to run for five years. They will pay 6 per cent interest annually. These bonds will be secured by a deed of trust on the property, also by the pledges now in hand.

The Farmers Trust Co. will be the trustee for this issue of bonds. In this way the people of Maryville, who purchase these bonds, will receive whatever profit may accrue from this improvement, not only to the church property, but to the civic beauty of the city.

This church has grown up in your midst. Its officials are well known to you. Indeed, your friends, so that you need have no fears in securing any quantity of these bonds that you may desire. There will be an optional clause in them, that $100 or any multiple, may be paid on the principal, at any interest paying period. These bonds will prove a more secure investment than some of the offerings of the money market today.

Orders for these bonds will be received by the following persons:

H. E. Wright, C. D. Bellows, Geo. B. Baker, J. E. Carpenter, H. H. Mutz, C. F. Remus, Roland Wray, O. C. Hanna, Harry Price, Mrs. C. R. Gaugh, Miss Emma Hull and the Farmers Trust Co.

The architect was in town yesterday securing further details for the plans now being drafted. The preliminary plans will soon be presented for inspection. Then the permanent ones will be made, the church will advertise for bids, the contracts let and the work commenced. The work can be completed in the near future. This is an opportunity to practice the doctrine of reciprocity, to help improve the public buildings of Maryville, and at the same time clip some coupons that can be exchanged for cash.

Miss Rose Collins is Graduated from Wyo. U.

Daughter of W. H. Collins Receives Degree of Bachelor of Science in Education Today.

Miss Rose Collins, daughter of W. H. Collins of Maryville, was graduated from the University of Wyoming, with the degree of Bachelor of Science in Education, this morning. She has been employed to teach normal training and act as high school principal at Guernsey, Wyo., next year.

Miss Collins was graduated from the Davis school, south of Maryville, in 1894. She then attended Palmer College at Albany from where she went to the University of Colorado at Boulder from which institution she was granted a teachers' certificate. She then went to the University of Missouri where she received her life's certificate.

"And she's a Davis-Bryan-Nelson Democrat, too," her father said this morning.

Mr. and Mrs. Harve Thompson and children Pauline, Kenneth, Shelton, Wilson, Wilfred, Welburn, and Mr. and Mrs. Ernest Shelton and children Truman, William, Georgia, Martha and Edward, all of Quitman, went to St. Joseph today to visit friends.

NEW CITY BAND IS TO BE UNIFORMED

RE-ORGANIZATION IS EFFECTED LAST NIGHT.

WILL PLAY FALL SHOW

Composed of Eleven Members Old Town Band and 21 of H. S. Band —Loren Schnabel Director.

Re-organization of the city band was effected at a rehearsal last night through a merger of eleven members of the former city band and twenty-one members of the sixty-piece High School band, entailing a roster of thirty-two musicians.

The primary purpose of the move is to form a peppy, uniformed band for the Annual Farm and School Products Show, October 3, 4 and 5, and it will be under the direction of Loren Schnabel, director of the High School band and orchestra.

The organization of this band has been under progress during the greater part of the summer, being formally effected last evening by Mr. Schnabel, who has put in a great deal of time on the project. The present band, organized at band rehearsal last night, was formed with the end in view to instill ginger and pep into the Fall Farm and School Show, giving the visitors and citizens of Maryville some real music. What course that the band will take and who will be the director after the Fall Farm and School Show, will be left to the members of the band at that time.

It was voted by the members of the new band to buy uniforms and a snappy, military style of regalia was selected. In about three weeks the uniforms will arrive from the Klein & Bros. Uniform Co., of Philadelphia and the band will then make its first appearance in a parade.

A French gray color was chosen for the uniform. The coat is an English officer style cut, and a dark mahogany Sam Brown belt will be worn.

The trousers will be trimmed down the sides with black gold. The cap, General Pershing shape, the same color as the suit, will sport a gold lyre, the entire uniform showing up a band to splendid advantage.

It is Mr. Schnabel's intentions to equip the remaining members of the High School band in uniforms before the High School band contest is held here at the College during next spring as the re-organized city band is composed of twenty-one members of the High School band.

All the money for equipping the band in uniforms has been raised except $150 and this amount is expected to be raised by the band giving concerts and playing various jobs.

The personnel of the new city band:

Loren Schnabel, director.

B flat clarinets: Elmer Beaufaris, principal; Henry Buhler, Karl Hogan, C. L. Fisher, J. H. Heath, R. C. Person, Jr.

Kinnairds Return Home.

Mr. and Mrs. R. A. Kinnaird and son, Junior, returned from Warrensburg this noon where they have been visiting Mrs. Kinnaird's parents for the last week.

THE LATEST ALIBI.

Martin Lewis, Jr., produced a brand new alibi for a low golf score made in a round played Sunday afternoon. Martin claims that he was breaking all records for the course when he shot the first five holes but on the sixth he met his Waterloo. He had a 21 score at the end of the fifth hole.

According to Lewis he sliced his drive on the sixth tee but the ball was lying good and he still had hopes of beating any of his former records. He again attempted to drive his ball towards the green but this time his ball hit a tree and bounded back of the place where the original drive was made. He again took his left-hand driver and again the ball hit the same tree. A few strokes nearer the goal a ball driven by another player hit him and the total result was a low score.

Lewis at the latest questioning maintains that the hole was the sixth instead of the nineteenth. The members of the Country Club will uphold Mr. Lewis that there is no nineteenth at the local club.

GRADING FINISHED WITHIN 2 MONTHS

—OPINION OF ENGINEERS.

ARKOE HAUL ROAD IS NEARING COMPLETION.

EQUIPMENT AT ARKOE

Atkinson Paving Co., Contractors State Highway South of Here, Have Material On Hand.

Barring bad weather conditions, it is the opinion of the state project engineer located in Maryville, that all of the grading work on the ten mile stretch of the state highway No. 27 that is to be paved south of the city, will have been completed within the next two months.

All the paving equipment of the Atkinson Paving Co., of Watertown, S. Dak., the concern that has the contract for paving the state highway No. 27 ten miles south of Maryville, has arrived in Arkoe, is the information learned today from H. B. Bigelow, state project engineer.

Twenty-one cars of crushed rock from the state quarries, most of it shipped in from the Gallatin quarries, are now on the tracks at Arkoe, ready to be hauled to the paving project for the concrete mixer. It is expected that as soon as the Arkoe haul road is completed, paving will be started. The Atkinson Co., so far has shipped in twenty-one Ford trucks for the hauling.

All the hauling has to be done over this road from Arkoe to the state highway, under construction, and Mr. Peterson now has the work well in hand. Paving will be started on the south end of the project, nearly ten miles south of the city.

J. W. Peterson, who has had his grading crew working on the Arkoe road, which connects Arkoe with the main project, the state highway, expects to complete the grading of this road by Tuesday night. He will then take his crew and equipment back to near Tarkio where he has some work to finish.

Cement has been placed in the storehouse at Arkoe, which is now loaded to capacity.

Mr. Miller, who has been working steadily on the grading of section B of project 245, will complete this section of grading by the end of the week. As soon as he has completed the grading of section B he will commence on the north end of section A, five miles due south of Maryville, and commence grading north.

The Perry grading crew has started grading on section A of project 245, at the south edge of Maryville, and is working south on the state highway. The Perry outfit will continue its grading work until it is met by the Miller grading outfit.

Mr. Bigelow said this noon that the Bell Telephone Co. has started moving its poles to proper places along the highway at the north end of section A. Mr. Bigelow also stated that all the farmers living along the new location have been very generous in complying with the request of the State Highway Commission and that all the fences are being moved back where it is necessary.

ST. JOSEPH MAN IS LOW ROAD BIDDER

P. B. YOUNG BIDS $55,006.49 FOR CONCRETE.

$47,021.54 FOR GRAVEL

Two Other Contractors Bid for Construction of Maryville-Burlington Junction Highway.

Jefferson City, Aug. 29.—The lowest bidder for the construction of the hard surfaced road between Maryville and Burlington Junction was P. B. Young of St. Joseph, the state highway department announced this afternoon.

Young bid $55,006.49 for the 2.2 miles of concrete north of Maryville, less 5 per cent. On the four miles of gravel, in the second project, his bid was $32,466.37, and for the 2.7 miles of gravel in the third project, Young bid $14,555.17.

There were two other bidders for the road work in Nodaway County.

Mr. Young built the concrete road from St. Joseph to Wathena, Kan.

Jefferson City, Aug. 29.—B. H. Piepmeier, state highway engineer, today received 235 bids for construction of forty-four road projects, estimated to cost more than two million dollars.

The projects cover 123 miles of roads and twenty-nine bridges located in twenty-five counties.

The lettings today establish a new record for road work in Missouri, making approximately four million dollars of new projects placed under contract during the month. It will be the last big letting of the year.

The low bids will be designated by Mr. Piepmeier and the contracts approved by the highway commission.

Inspectors to Present Charges Against William Fahy, Accused of Complicity in Crime.

Chicago, Aug. 29.—Chief postal inspectors from Washington and New York announced today they have completed the case which they will present to the grand jury tomorrow when they will ask indictments against William Fahy, accused of complicity in the 2 million dollar Rondont mail robbery.

It was announced the officials expect to apprehend two "important witnesses" before night, who were close official and personal friends of Fahy.

Asks Intervention to Stop Impending War

Rival Chinese Factions Struggling for Control of Shanghai District—Foreign Assistance Improbable.

Shanghai, Aug. 29.—Foreign intervention to stop the impending civil war between rival Chinese factions for control of the Shanghai district in which is located one of the largest foreign settlements in China was asked today by the Chinese Chamber of Commerce.

Such intervention, however, was considered unlikely by foreign observers here, as it was pointed out foreign nations would not care to enter into Chinese civil warfare.

Everyone Will Agree With Mr. Garrett on This

Mayor W. O. Garrett returned to Maryville last night and was again on the job this morning after a much needed vacation. When asked this noon whether he had anything for publication he told a representative of the Democrat-Forum "Nothing, except that Maryville is the best town I have seen and I have been in a great many."

Mayor Garrett just returned from an automobile trip in Missouri and Eastern Kansas.

2 VACANCIES ARE FILLED AT COLLEGE

SELECTIONS MADE BY PRES. LAMKIN YESTERDAY.

MISS ANNE E. STOWELL

To Fill Position Vacated by Mrs. C. G. Vogt, Manager of Cafeteria—Miss Keith Employed.

Two new teachers were selected yesterday by President Uel W. Lamkin of the College to fill vacancies for the coming year. The teachers elected yesterday were Miss Mary E. Keith as instructor for the demonstration school at the College and Miss Anne E. Stowell as manager of the College cafeteria. With one or two exceptions this makes the College faculty complete and ready for the opening of the fall term, Sept. 9.

Miss Stowell succeeds Mrs. Mary Wooldridge Vogt, who resigned last month, as manager of the cafeteria. She has had experience in dining hall management and has taken much specialized training for this work. She has been at Teachers' College, Columbia University, New York the past year completing her work for her Masters Degree. She has a B. S. in home economies from the James Millikin University, Decatur, Ill., and has attended the University of Illinois and the University of Chicago.

Miss Stowell has taught home economics at St. Paul, Minn., Washburn, Ill., and Joplin, Mo., and for three years director of the high school cafeteria at Sandusky, O. President Lamkin said she would probably offer some courses in the College in institutional management and quantity cookery. Miss Stowell is expected here the middle of next week. Her home is at Hannibal, Mo.

Miss Keith, who will teach the demonstration school, comes from Carthage, Mo., where she has been teaching teacher-training. She is a graduate of the University of Missouri and comes very highly recommended by Professor M. G. Neale of the School of Education of the University.

The demonstration school of the College will open Sept. 9. The number of students will be limited to thirty for the eight grades and all practice teaching will be under the supervision of Miss Keith. It is the aim of those in charge of this school, to make it as nearly as possible a model one-room school. Applications for entrance should be made to Miss Nell Hudson at the College.

The democrats of Nodaway County, in presenting as their candidate for sheriff, L. B. Campbell are placing before the voters of the county a man who is well qualified, is of an age, and of ability to perform every duty that presents itself with honor to himself and the people for whom he is working—every citizen of the State and Nation.

L. B. Campbell has spent his entire life in and near Barnard. A part of his life, in fact the greater part, has been spent on the farm where he was engaged in farming and stock raising. He has bought stock over the entire south end of Nodaway County. The rest of his time has been spent in business in Barnard.

The people of this community know L. B. Campbell, we believe they are a good sensible, law abiding people. The people from here desire to see a man in office who will conduct the office with good sense and good judgment. They know Campbell will conduct the office in a way that it should be conducted. The vote at the primary when he received 131 votes out of 140 cast shows that the people here want him, and the reason they want him is because of the confidence they have in him.

Should you be approached with some of the campaign stories that are rirrulated, ask yourself the question if circulated, ask yourself the question if ple where he has spent his entire life desire to have him in office?

The people of Barnard want Campbell elected and have furnished the best recommend possible for any man to have—the confidence and the support of practically the entire vote in the primary. The Rephblicans will show when the opportunity presents itself at the election on November 4, that they too have confidence in L. B. Campbell and are going to join hands with the Democrats in expressing their faith and confidence in their friend and neighbor.

"Texas" Kelly Holds Up Poker Game And Goes West

Not a Jesse James affair, nor yet a modern bank holdup, but rather a poor imitation was pulled off across the river from Maitland, in Nodaway county, Friday afternoon, but from the accounts that have filtered through the community, it must have been amusing, if not tragic.

It was a hot summer afternoon and a number of local celebrites, together with some attaches of the road show that was stationed at Graham and perhaps a professional or so from Maryville, were enjoying a quiet game of poker in the woods. To relieve the monotony of the losers, Texas Kelly, who, in some respects, belied his first name, appeared on the scene and with his trusty six-shooter commanded a holdup. All went well until one of the players displayed a rifle and demanded that the desperado desist from his little side show, which was interfering with the gentlemen's game. Compliance with the request was made, at least until the rifle and its owner left the scene of action, then the holdup was re-enacted, with the result that some twenty-five bones that had been circulating in the poker game passed into the pockets of Tex., who had got his nerve and his gun in action again, abetted by his wife's entreaties for funds, she having occupied a position in the rear.

Some of the antics witnessed at the holdup were ludicrious, it seems, from the accounts of the affair. One man is said to have lowered the 100-yard running record by several seconds, taking two wire fences as he went. Another hid behind a two-foot-in-diameter elm tree in an effort to elude the bullets and was successful, though some of the bullets passed clear through the tree, but the nervousness of the intended victim enabled him to dodge them. Some of the attendants could give no satisfactory account of the affair because they developed such extreme cases of nerves that their recollection of the happenings was faint, if not entirely dissipated by the strenuousness of the brief period of activity.

Anyway, Tex and his trusty guns and his flivver headed west and it appears that he was already in Nebraska when the news reached town. Tex had worked hereabouts as a farm hand and was ready for a trip to the West and needed only a little change for gas and provender, so took this means of gathering in the wherewithal. He has not been seen since, neither has any effort been made to apprehend him, at least none of his victims has had the temerity to appear before the officers of the law to insist on the prosecution of Tex.

Since the news spread abroad, it is reported several Northwest Missouri towns have considered plans to have the holdup, with all its interesting side scenes, re-enacted at next fall's fairs, in the hope that it would prove a great drawing card. It is said wild west shows, rodeas and such like would prove tame compared to the Maitland holdup, if the latter can be depicted before the attendants at the fairs in all its vividness, hairbreadth escapes and speed records. It is even suggested that some of the losers in the poker game and to Tex may be able to recover their losses by lending their personal assistance to the proper rendition of the event when produced as a fair attraction.—Maitland Herald.

W. F. Burris of St. Joseph, district superintendent, was here yesterday to attend quarterly conference of the First M. E. Church. He returned home late yesterday afternoon.

Given Absolutely Free

Here is a rare opportunity, for a limited time to secure the necessary stock to set a good "Family Orchard."

We Have Planned to Give Away Five Thousand (5,000) First Class Apple Trees

TO PATRONS NEXT SPRING.
(But you must take advantage of this offer promptly.)

To encourage the planting of more good "home orchards," (of which there is at present a great dearth in this section of Mo.), and thereby provide an adequate supply of home grown fruit, especially Apples— the "King of Fruits;" to double the purchasing power of the farmers' dollar! to advertise our stock and introduce it more generally among farmers and home owners all over Northwest Missouri, we have decided that, to each and every patron who orders of us—**before these 5,000 trees are all allotted**—as many as 25 First Class Apple Trees, 2 or 3 years old, 5 to 6 feet high, at our regular list price of 50 cents each, for delivery here at the Nursery in the spring of 1925,

We Will Give 25 First Class Apple Trees

2 or 3 years old, 5 to 6 feet high, all choice, highest quality varieties of our selection as a special inducement to set out an ideal acre orchard of Apples. (30 by 30 feet between trees, which is about the right distance, requires 50 trees to an acre).

You may select your list of varieties (of the 25 trees you order,) from any of the varieties we have in stock. Our stock includes most all the leading and best kinds for Northwest Missouri. We will give you the 25 premium trees of our selection of the choicest and best varieties. These trees are now growing here in our Nursery at Maryville, and they must be received here at our Packing Grounds in the spring of 1925. We positively will not ship any trees ordered under this **special offer.**

This offer is subject only to one condition, namely: Your order must be received before this 5,000 allotment has all been taken. Our free offer will automatically expire whenever that number has been set aside for our patrons.

It makes no difference whether you are an old or a new patron. All that is necessary is to **get your order in in time.**

We anticipate that many will act promptly on this liberal proposition; and have set the number to be given away at so large a total, because we want to encourage the growing of more fruit, and better fruit, and to make it easy for a large number (all who accept in time), to secure a good home orchard.

You can buy GOOD STOCK of all kinds from your home nursery at about one-third to one-half of the prices charged by agents for outside or distant nurseries. Our complete Spring Price List will be out about Dec. 1, but you should **not delay** accepting our **Special Offer.** Other stock may be ordered later, if desired, from our complete list, but that might be too late for this offer. Fill in the order blank Coupon below and mail it in to us. You need not pay us a cent until you call for the trees next Spring.

All orders will be acknowledgesd promptly.

Senators Beat Yanks and Go Into the Lead

Babe Ruth Drives Out 41st Circuit Clout—Blues Remain in the Slough of Despond.

Washington went into the lead in the American League yesterday by defeating the Yanks 11 to 6 in an eighth inning rally. Babe Ruth drove out his forty-first home run this season. Detroit and St. Louis were idle yesterday. Percentages of first division teams:

Washington .571; New York .569; Detroit .545 and St. Louis .512.

In the National League New York did not play yesterday and retained its lead, having a percentage of .620. Pittsburg bowed before the Cincinnati Reds 4-5 and the Pirates dropped to .578. Brooklyn also did not play and is in third position, with a percentage of .561 with Chicago and Cincinnati in fourth and fifth at .549 and .524.

Caldwell pitched a good game for the Kansas City Blues but errors by his team mates lost the game to Minneapolis 4-5 and the Blues sunk lower.

Hough is Not Called Upon for Testimony

Grand Jury Now In Session—M. R. Brant, Bedford Attorney, Appointed To Defend Him.

(Omaha World-Herald.)

Bedford, Ia., Aug. 29.—Carl Hough, 23, under charges of first degree murder for the death of Lillian McKinney, 21, Herrick, S. D., was not called upon for testimony by the grand jury, now in session. An indictment against him has not yet been returned.

When the jury was formed Tuesday, Hough was present in the courtroom, but failed to challenge any jurors. He protested that he had no attorney, and M. R. Brant of Bedford was appointed to defend him. Richard Oran, Missouri Valley attorney, was denied permission to see Hough Wednesday when he could not produce credentials that he had been retained as the prisoner's attorney.

Oran insisted that he had been engaged to defend Hough, but refused to say by whom. Sheriff Will Parrish believes that Oran was hired by Hough's father, Miron Hough of St. Charles, S. D.

Sheriff Will Parrish said tonight that he expected Elmer McKinney of Herrick, S. D., father of the victim, to arrive in Bedford tomorrow morning to testify before the grand jury.

Cline May Not Return to Maryville Church

Methodist Conference to Be Held in Richmond Next Wednesday—Shemwell to Attend Also.

The Rev. B. F. Cline of the M. E. Church, South, will leave next Tuesday for Richmond, where he will attend the annual Missouri conference. The conference convenes Wednesday, Sept. 3 and will be in session until Monday, Sept. 8, when the appointments will be read.

The indications are that the Rev. Mr. Cline will not be returned to Maryville. He has been here the past three years and has been one of the popular pastors of the city.

The Rev. M. L. Shemwell, pastor of the churches at Wilcox and Pleasant Grove, will also attend the conference. It is thought probable that the Rev. Mr. Shemwell will also not be returned here next year.

One of the main subjects at this conference will be the discussion of the unification of the two branches of Methodist Churches. This matter will be voted on at this conference.

The Rev. Mr. Cline will occupy the pulpit of the M. E. Church, South, Sunday morning. He will also preach at the Union Church services to be held Sunday evening at the Presbyterian Church.

Geo. C. Butts Returns from His Vacation

George C. Butts, city editor of the Democrat-Forum, who has been on a two weeks' vacation, returned last night to resume his duties on the editorial staff. While on his vacation, Mr. Butts spent several days with his parents, Mr. and Mrs. H. C. Butts of Chillicothe, and also visited friends and relatives at Topeka, Kan., and Kansas City, St. Joseph and Rosendale. While he was away Merle Seleeman took Mr. Butts' place as city-editor.

How to build up your Weight

TO be under weight often proves low fighting-power in the body. It often means you are minus nerve-power, minus red-cells in your blood, minus health, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1826, has meant to thousands of underweight men and women, a plus in their strength. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

TEACHERS ASKED FOR CO-OPERATION

BY MR. EEK DURING DEFENSE DAY AND FALL SHOW.

SCHOOL BILL EXPLAINED

Annual Teachers' Meeting Winds Up Today—Miss Davison Stressed Prevention Tuberculosis.

"The Soviet Government of Russia is spending $1,600,000 in America every week in an attempt to undermine American patriotism," said L. M. Eek, president of the Maryville Chamber of Commerce, in an appeal this morning for the Nodaway County teachers to cooperate with the city of Maryville in the National Defense Day test and in the School and Farm show, both of which are to be held this fall.

"There are over four million 'pinks' in the United States who are advocating Pacifism but are really agents of the soviets and are only seeking to break down America's government. It is for this purpose that we are to observe a National Defense Day test in order to ascertain how many loyal Americans will respond to the call of the country and to instill again a spirit of patriotism in every American school child."

Mr. Eek urged that the teachers assist in all possible ways to make the Defense test a success in their community and to stem the tide of pacifism which is Bolshevism in disguise.

The Community School bill, which is to be introduced by Charles A. Lee, State superintendent of Schools, was explained in detail to the teachers this morning by Mabel Cobb. The bill provides that there should be no district maintained which is elss than fifty square miles and less than $1,500,000 assessment. This is the average count which statistics show is required for the financing of a first class high school. Miss Cobb stated that the fact is true that the larger the school the less waste in expenditure results. Under the new school ruling the school taxes would be more nearly equalized and the chances for a good education of rural pupils would be assured.

The meeting opened at the high school auditorium this morning with community singing which was lead by Mrs. L. L. Livengood. This was followed by a talk on Health, which was given by Margaret Davison of the Nodaway County Health Department.

Miss Davison stressed the prevention of tuberculosis and said that the teachers of rural schools should act as supervisors of the children's health. Proper ventilation, plenty of play and exercise, and seeing that the children maintain normal weight and that their general health is good, were the points which Miss Davison stated the rural teacher should be responsible for. Miss Davison also told of the work which is being done by the County Health department and assured the teachers that they would receive the fullest cooperation from the department in their work.

The awards for the Red Cross seals sale were presented to the winning schools by Leslie G. Somerville, County superintendent of schools this morning. Mt. Joy won the banner whch was offered to the rural school which sold the most seals per capita. The cup was awarded to the Ravenwood High School on the same basis of competition among the high schools of the county.

Add Teachers meeting ....

L. L. King followed with a talk on the importance of becoming a member of the Missouri State Teachers Association. He emphasized the fact that membership meant cooperation with the other teachers of the state and also served to enlighten the teacher on the latest of projects and methods of teaching which are accepted by educators.

The program for the morning was concluded with a speech given by Mrs. Harry B. Rutledge which dealt with the program of the Nodaway County Unit of the Missouri Tuberculosis Association. Nodaway County receives half of the total amount secured from the sale of the Red Cross seals and bonds. The talk of Mrs. Rutledge served to point out to the teachers for what purpose this money was being used in the county.

Advance Guard Greets Dawes at Omaha, Neb.

Vice-Presidential Candidates to Speak in Nebraska State Capital This Evening.

Omaha, Aug. 29.—An advance guard of forty Republicans from Lincoln greeted General Charles G. Dawes, Republican vice-presidential candidate, when he arrived here today en route to the state capital where he will speak tonight.

It is estimated a crowd of 40,000 persons from all over Nebraska will hear the candidate when he starts his agriculture address.

In the delegation were many former neighbors and business associates of Dawes who knew him as a young lawyer in Lincoln in the several years following his graduation from law school, where he was practicing there.

1ST M. E. CHURCH WILL ISSUE BONDS

IS A PART OF ITS BUILDING PROGRAM—$100 Denominations.

$100 DENOMINATIONS

Will Pay 6 Per Cent Interest—Farmers Trust Co. Will Be Trustee —Runs for 5 Years.

The First Methodist Episcopal Church in Maryville, in putting over its building program, has decided to issue a series of bonds in denominations of $100 and up, to run for five years. They will pay 6 per cent interest annually. These bonds will be secured by a deed of trust on the property, also by the pledges now in hand.

The Farmers Trust Co. will be the trustee for this issue of bonds. In this way the people of Maryville, who purchase these bonds, will receive whatever profit may accrue from this improvement, not only to the church property, but to the civic beauty of the city.

This church has grown up in your midst. Its officials are well known to you. Indeed, your friends, so that you need have no fears in securing any quantity of these bonds that you may desire. There will be an optional clause in them, that $100 or any multiple, may be paid on the principal, at any interest paying period. These bonds will prove a more secure investment than some of the offerings of the money market today.

Orders for these bonds will be received by the following persons:

H. E. Wright, C. D. Bellows, Geo. B. Baker, J. E. Carpenter, H. H. Mutz, C. F. Remus, Roland Wray, O. C. Hanna, Harry Price, Mrs. C. R. Gaugh, Miss Emma Hull and the Farmers Trust Co.

The architect was in town yesterday securing further details for the plans now being drafted. The preliminary plans will soon be presented for inspection. Then the permanent ones will be made, the church will advertise for bids, the contracts let and the work commenced. The work can be completed in the near future. This is an opportunity to practice the doctrine of reciprocity, to help improve the public buildings of Maryville, and at the same time clip some coupons that can be exchanged for cash.

Miss Rose Collins is Graduated from Wyo. U.

Daughter of W. H. Collins Receives Degree of Bachelor of Science in Education Today.

Miss Rose Collins, daughter of W. H. Collins of Maryville, was graduated from the University of Wyoming, with the degree of Bachelor of Science in Education, this morning. She has been employed to teach normal training and act as high school principal at Guernsey, Wyo., next year.

Miss Collins was graduated from the Davis school, south of Maryville, in 1894. She then attended Palmer College at Albany from where she went to the University of Colorado at Boulder from which institution she was granted a teachers' certificate. She then went to the University of Missouri where she received her life's certificate.

"And she's a Davis-Bryan-Nelson Democrat, too," her father said this morning.

Mr. and Mrs. Harve Thompson and children Pauline, Kenneth, Shelton, Wilson, Wilfred, Welburn, and Mr. and Mrs. Ernest Shelton and children Truman, William, Georgia, Martha and Edward, all of Quitman, went to St. Joseph today to visit friends.

NEW CITY BAND IS TO BE UNIFORMED

RE-ORGANIZATION IS EFFECTED LAST NIGHT.

WILL PLAY FALL SHOW

Composed of Eleven Members Old Town Band and 21 of H. S. Band —Loren Schnabel Director.

Re-organization of the city band was effected at a rehearsal last night through a merger of eleven members of the former city band and twenty-one members of the sixty-piece High School band, entailing a roster of thirty-two musicians.

The primary purpose of the move is to form a peppy, uniformed band for the Annual Farm and School Products Show, October 3, 4 and 5, and it will be under the direction of Loren Schnabel, director of the High School band and orchestra.

The organization of this band has been under progress during the greater part of the summer, being formally effected last evening by Mr. Schnabel, who has put in a great deal of time on the project. The present band, organized at band rehearsal last night, was formed with the end in view to instill ginger and pep into the Fall Farm and School Show, giving the visitors and citizens of Maryville some real music. What course that the band will take and who will be the director after the Fall Farm and School Show, will be left to the members of the band at that time.

It was voted by the members of the new band to buy uniforms and a snappy, military style of regalia was selected. In about three weeks the uniforms will arrive from the Klein & Bros. Uniform Co., of Philadelphia and the band will then make its first appearance in a parade.

A French gray color was chosen for the uniform. The coat is an English officer style cut, and a dark mahogany Sam Brown belt will be worn.

The trousers will be trimmed down the sides with black gold. The cap, General Pershing shape, the same color as the suit, will sport a gold lyre, the entire uniform showing up a band to splendid advantage.

It is Mr. Schnabel's intentions to equip the remaining members of the High School band in uniforms before the High School band contest is held here at the College during next spring as the re-organized city band is composed of twenty-one members of the High School band.

All the money for equipping the band in uniforms has been raised except $150 and this amount is expected to be raised by the band giving concerts and playing various jobs.

The personnel of the new city band:

Loren Schnabel, director.

B flat clarinets: Elmer Beaufaris, principal; Henry Buhler, Karl Hogan, C. L. Fisher, J. H. Heath, R. C. Person, Jr.

E flat clarinet: Donald Goforth, principal.

Kinnairds Return Home.

Mr. and Mrs. R. A. Kinnaird and son, Junior, returned from Warrensburg this noon where they have been visiting Mrs. Kinnaird's parents for the last week.

THE LATEST ALIBI.

Martin Lewis, Jr., produced a brand new alibi for a low golf score made in a round played Sunday afternoon. Martin claims that he was breaking all records for the course when he shot the first five holes but on the sixth he met his Waterloo. He had a 21 score at the end of the fifth hole.

According to Lewis he sliced his drive on the sixth tee but the ball was lying good and he still had hopes of beating any of his former records. He again attempted to drive his ball towards the green but this time his ball hit a tree and bounded back of the place where the orginal drive was made. He again took his left-hand driver and again the ball hit the same tree. A few strokes nearer the goal a ball driven by another player hit him and the total result was a low score.

Lewis at the latest questioning maintains that the hole was the sixth instead of the nineteenth. The members of the Country Club will uphold Mr. Lewis that there is no nineteenth at the local club.

GRADING FINISHED WITHIN 2 MONTHS

—OPINION OF ENGINEERS.

ARKOE HAUL ROAD IS NEARING COMPLETION.

EQUIPMENT AT ARKOE

Atkinson Paving Co., Contractors State Highway South of Here, Have Material On Hand.

Barring bad weather conditions, it is the opinion of the state project engineer located in Maryville, that all of the grading work on the ten mile stretch of the state highway No. 27 that is to be paved south of the city, will have been completed within the next two months.

All the paving equipment of the Atkinson Paving Co., of Watertown, S. Dak., the concern that has the contract for paving the state highway No. 27 ten miles south of Maryville, has arrived in Arkoe, is the information learned today from H. B. Bigelow, state project engineer.

Twenty-one cars of crushed rock from the state quarries, most of it shipped in from the Gallatin quarries, are now on the tracks at Arkoe, ready to be hauled to the paving project for the concrete mixer. It is expected that as soon as the Arkoe haul road is completed, paving will be started. The Atkinson Co., so far has shipped in twenty-one Ford trucks for the hauling.

All the hauling has to be done over this road from Arkoe to the state highway, under construction, and Mr. Peterson now has the work well in hand. Paving will be started on the south end of the project, nearly ten miles south of the city.

J. W. Peterson, who has had his grading crew working on the Arkoe road, which connects Arkoe with the main project, the state highway, expects to complete the grading of this road by Tuesday night. He will then take his crew and equipment back to near Tarkio where he has some work to finish.

Cement has been placed in the storehouse at Arkoe, which is now loaded to capacity.

Mr. Miller, who has been working steadily on the grading of section B of project 245, will complete this section of grading by the end of the week. As soon as he has completed the grading of section B he will commence on the north end of section A, five miles due south of Maryville, and commence grading north.

The Perry grading crew has started grading on section A of project 245, at the south edge of Maryville, and is working south on the state highway. The Perry outfit will continue its grading work until it is met by the Miller grading outfit.

Mr. Bigelow said this noon that the Bell Telephone Co. has started moving its poles to proper places along the highway at the north end of section A. Mr. Bigelow also stated that all the farmers living along the new location have been very generous in complying with the request of the State Highway Commission and that all the fences are being moved back where it is necessary.

ST. JOSEPH MAN IS LOW ROAD BIDDER

P. B. YOUNG BIDS $55,006.49 FOR CONCRETE.

$47,021.54 FOR GRAVEL

Two Other Contractors Bid for Construction of Maryville-Burlington Junction Highway.

Jefferson City, Aug. 29.—The lowest bidder for the construction of the hard surfaced road between Maryville and Burlington Junction was P. B. Young of St. Joseph, the state highway department announced this afternoon.

Young bid $55,006.49 for the 2.2 miles of concrete north of Maryville, less 5 per cent. On the four miles of gravel, in the second project, his bid was $32,466.37, and for the 2.7 miles of gravel in the third project, Young bid $14,555.17.

There were two other bidders for the road work in Nodaway County.

Mr. Young built the concrete road from St. Joseph to Wathena, Kan.

Jefferson City, Aug. 29.—B. H. Piepmeier, state highway engineer, today received 235 bids for construction of forty-four road projects, estimated to cost more than two million dollars.

The projects cover 123 miles of roads and twenty-nine bridges located in twenty-five counties.

The lettings today establish a new record for road work in Missouri, making approximately four million dollars of new projects placed under contract during the month. It will be the last big letting of the year.

The low bids will be designated by Mr. Piepmeier and the contracts approved by the highway commission.

Prince of Wales Arrives at New York

New York, Aug. 29.—The Prince of Wales, heir to the British throne and perhaps the most popular of European royalty, reached New York this afternoon.

Expect Indictments in Robbery Tomorrow

Inspectors to Present Charges Against William Fahy, Accused of Complicity in Crime.

Chicago, Aug. 29.—Chief postal inspectors from Washington and New York announced today they have completed the case which they will present to the grand jury tomorrow when they will ask indictments against William Fahy, accused of complicity in the 2 million dollar Rondont mail robbery.

It was announced the officials expect to apprehend two "important witnesses" before night, who were close official and personal friends of Fahy.

Asks Intervention to Stop Impending War

Rival Chinese Factions Struggling for Control of Shanghai District—Foreign Assistance Improbable.

Shanghai, Aug. 29.—Foreign intervention to stop the impending civil war between rival Chinese factions for control of the Shanghai district in which is located one of the largest foreign settlements in China was asked today by the Chinese Chamber of Commerce.

Such intervention, however, was considered unlikely by foreign observers here, as it was pointed out foreign nations would not care to enter into Chinese civil warfare.

Everyone Will Agree With Mr. Garrett on This

Mayor W. O. Garrett returned to Maryville last night and was again on the job this morning after a much needed vacation. When asked this noon whether he had anything for publication he told a representative of the Democrat-Forum "Nothing, except that Maryville is the best town I have seen and I have been in a great many."

Mayor Garrett just returned from an automobile trip in Missouri and Eastern Kansas.

Miss Lucille Wright and Miss Marie Wright returned last night from a three weeks visit at points in Colorado. They were the guests of Miss Abbie Bel Colden at Denver.

Flyers to Hop Off for Laborador Waters

Favorable Flying Weather Is Forecast for Tomorrow Morning When 585-Mile Jump Is Scheduled.

On Board the U. S. Cruiser Richmond, Aug. 29. — Favorable flying weather is forecast for tomorrow morning when the United States army around-the-world flyers, Lieutenants Smith and Nelson, are scheduled to hop off on a 585-mile jump to Labrador. The Richmond now is in Laborador waters.

The cruiser Milwaukee is anchored off the coast of Greenland. The airplanes have been repaired and everything is in readiness for the flight.

The storm which has prevailed off the Laborador coast has passed eastward.

2 VACANCIES ARE FILLED AT COLLEGE

SELECTIONS MADE BY PRES. LAMKIN YESTERDAY.

MISS ANNE E. STOWELL

To Fill Position Vacated by Mrs. C. G. Vogt, Manager of Cafeteria—Miss Keith Employed.

Two new teachers were selected yesterday by President Uel W. Lamkin of the College to fill vacancies for the coming year. The teachers elected yesterday were Miss Mary E. Keith as instructor for the demonstration school at the College and Miss Anne E. Stowell as manager of the College cafeteria. With one or two exceptions this makes the College faculty complete and ready for the opening of the fall term, Sept. 9.

Miss Stowell succeeds Mrs. Mary Wooldridge Vogt, who resigned last month, as manager of the cafeteria. She has had experience in dining hall management and has taken much specialized training for this work. She has been at Teachers' College, Columbia University, New York the past year completing her work for her Masters Degree. She has a B. S. in home economics from the James Millikin University, Decatur, Ill., and has attended the University of Illinois and the University of Chicago.

Miss Stowell has taught home economics at St. Paul, Minn., Washburn, Ill., and Joplin, Mo., and for three years director of the high school cafeteria at Sandusky, O. President Lamkin said she would probably offer some courses in the College in institutional management and quantity cookery. Miss Stowell is expected here the middle of next week. Her home is at Hannibal, Mo.

Miss Keith, who will teach the demonstration school, comes from Carthage, Mo., where she has been teaching teacher-training. She is a graduate of the University of Missouri and comes very highly recommended by Professor M. G. Neale of the School of Education of the University.

The demonstration school of the College will open Sept. 9. The number of students will be limited to thirty for the eight grades and all practice teaching will be under the supervision of Miss Keith. It is the aim of those in charge of this school, to make it as nearly as possible a model one-room school. Applications for entrance should be made to Miss Nell Hudson at the College.

DAWES' PLAN IS RATIFIED TODAY

REICHSTAG OF GERMANY IN A STORMY SESSION.

DISSOLUTION AVERTED

Compromise Is Reached by Government Leaders and Nationalists—Coolidge Gratified.

Berlin, Aug. 29.—The Dawes reparation plan was ratified by the Reichstag today after a stormy debate.

The bills necessary to the execution of the plan were all taken up and passed separately.

Dissolution of the Reichstag was avoided by a compromise reached by the government leaders and the German nationalists who were the chief enemies of the Dawes plan.

Washington, Aug. 29.—Gratification was expressed today by President Coolidge and members of the cabinet when news of the ratification of the Dawes plan were carried to the White House.

The cabinet was engaged in an informal discussion of the reparations when the news was received.

Coolidge Pleads for Golden Rule Living

Addresses Delegates To National Fraternal Congress of America—No Reference to Political Campaign

Washington, Aug. 29.—Fresh from a two-weeks vacation among the Vermont hills, President Coolidge this afternoon sounded an opening bell for the practice in America of the homely virtues of loyalty, common sense, and Golden Rule, and went back to the Sermon on the Mount as most expressive of a definite standard of action for the promotion of human fellowship.

The President's speech, delivered to several hundred delegates to the National Fraternal Congress of America, contained no reference to the political campaign but dealt solely with the promotion of the welfare of humanity through the spirit of brotherhood and fraternity.

L. B. Campbell Well Thought of at Barnard

In the Primary Secured 131 Votes Out of 140—Has Lived In That Community All His Life.

This week's Barnard Bulletin had the following article about L. B. Campbell, candidate for sheriff on the Democratic ticket:

The democrats of Nodaway County, in presenting as their candidate for sheriff, L. B. Campbell are placing before the voters of the county a man who is well qualified, is of an age, and of ability to perform every duty that presents itself with honor to himself and the people for whom he is working—every citizen of the State and Nation.

L. B. Campbell has spent his entire life in and near Barnard. A part of his life, in fact the greater part, has been spent on the farm where he was engaged in farming and stock raising. He has bought stock over the entire south end of Nodaway County. The rest of his time has been spent in business in Barnard.

The people of this community know L. B. Campbell, we believe they are a good sensible, law abiding people. The people from here desire to see a man in office who will conduct the office with good sense and good judgment. They know Campbell will conduct the office in a way that it should be conducted. The vote at the primary when he received 131 votes out of 140 cast shows that the people here want him, and the reason they want him is because of the confidence they have in him.

Should you be approached with some of the campaign stories that are rirrulated, ask yourself the question if circulated, ask yourself the question if ple where he has spent his entire life desire to have him in office?

The people of Barnard want Campbell elected and have furnished the best recommend possible for any man to have—the confidence and the support of practically the entire vote in the primary. The Rephblicans will show when the opportunity presents itself at the election on November 4, that they too have confidence in L. B. Campbell and are going to join hands with the Democrats in expressing their faith and confidence in their friend and neighbor.

Sioux City Visitors.

Mr. and Mrs. Raymond Chenhall and son, Robert, of Sioux City, Ia., arrived in Maryville last evening to be the guests of Mr. and Mrs. Glen Evans. They are en route to Wichita, Kan., to visit relatives. Mr. Chenhall is a former resident of Nodaway County.

"Texas" Kelly Holds Up Poker Game And Goes West

Not a Jesse James affair, nor yet a modern bank holdup, but rather a poor imitation was pulled off across the river from Maitland, in Nodaway county, Friday afternoon, but from the accounts that have filtered through the community, it must have been amusing, if not tragic.

It was a hot summer afternoon and a number of local celebrites, together with some attaches of the road show that was stationed at Graham and perhaps a professional or so from Maryville, were enjoying a quiet game of poker in the woods. To relieve the monotony of the losers, Texas Kelly, who, in some respects, belied his first name, appeared on the scene and with his trusty six-shooter commanded a holdup. All went well until one of the players displayed a rifle and demanded that the desperado desist from his little side show, which was interfering with the gentlemen's game. Compliance with the request was made, at least until the rifle and its owner left the scene of action, then the holdup was re-enacted, with the result that some twenty-five bones that had been circulating in the poker game passed into the pockets of Tex., who had got his nerve and his gun in action again, abetted by his wife's entreaties for funds, she having occupied a position in the rear.

Some of the antics witnessed at the holdup were ludicrious, it seems, from the accounts of the affair. One man is said to have lowered the 100-yard running record by several seconds, taking two wire fences as he went. Another hid behind a two-foot-in-diameter elm tree in an effort to elude the bullets and was successful, though some of the bullets passed clear through the tree, but the nervousness of the intended victim enabled him to dodge them. Some of the attendants could give no satisfactory account of the affair because they developed such extreme cases of nerves that their recollection of the happenings was faint, if not entirely dissipated by the strenuousness of the brief period of activity.

Anyway, Tex and his trusty guns and his flivver headed west and it appears that he was already in Nebraska when the news reached town. Tex had worked hereabouts as a farm hand and was ready for a trip to the West and needed only a little change for gas and provender, so took this means of gathering in the wherewithal. He has not been seen since, neither has any effort been made to apprehend him, at least none of his victims has had the temerity to appear before the officers of the law to insist on the prosecution of Tex.

Since the news spread abroad, it is reported several Northwest Missouri towns have considered plans to have the holdup, with all its interesting side scenes, re-enacted at next fall's fairs, in the hope that it would prove a great drawing card. It is said wild west shows, rodeas and such like would prove tame compared to the Maitland holdup, if the latter can be depicted before the attendants at the fairs in all its vividness, hairbreadth escapes and speed records. It is even suggested that some of the losers in the poker game and to Tex may be able to recover their losses by lending their personal assistance to the proper rendition of the event when produced as a fair attraction.—Maitland Herald.

W. F. Burris of St. Joseph, district superintendent, was here yesterday to attend quarterly conference of the First M. E. Church. He returned home late yesterday afternoon.

Miss Audrie Lowry of Chariton, Ia., will arrive tomorrow night to visit Rounes.

Given Absolutely Free

Here is a rare opportunity, for a limited time to secure the necessary stock to set a good "Family Orchard."

We Have Planned to Give Away Five Thousand (5,000) First Class Apple Trees

TO PATRONS NEXT SPRING.
(But you must take advantage of this offer promptly.)

To encourage the planting of more good "home orchards," (of which there is at present a great dearth in this section of Mo.), and thereby provide an adequate supply of home grown fruit, especially Apples— the "King of Fruits;" to double the purchasing power of the farmers' dollar! to advertise our stock and introduce it more generally among farmers and home owners all over Northwest Missouri, we have decided that, to each and every patron who orders of us—**before these 5,000 trees are all allotted**—as many as 25 First Class Apple Trees, 2 or 3 years old, 5 to 6 feet high, at our regular list price of 50 cents each, for delivery here at the Nursery in the spring of 1925,

We Will Give 25 First Class Apple Trees

2 or 3 years old, 5 to 6 feet high, all choice, highest quality varieties of our selection as a special inducement to set out an ideal acre orchard of Apples. (30 by 30 feet between trees, which is about the right distance, requires 50 trees to an acre).

You may select your list of varieties (of the 25 trees you order,) from any of the varieties we have in stock. Our stock includes most all the leading and best kinds for Northwest Missouri. We will give you the 25 premium trees of our selection of the choicest and best varieties. These trees are now growing here in our Nursery at Maryville, and they must be received here at our Packing Grounds in the spring of 1925. We positively will not ship any trees ordered under this **special offer.**

This offer is subject only to one condition, namely: Your order must be received before this 5,000 allotment has all been taken. Our free offer will automatically expire whenever that number has been set aside for our patrons.

It makes no difference whether you are an old or a new patron. All that is necessary is to **get your order in in time.**

We anticipate that many will act promptly on this liberal proposition; and have set the number to be given away at so large a total, because we want to encourage the growing of more fruit, and better fruit, and to make it easy for a large number (all who accept in time), to secure a good home orchard.

You can buy GOOD STOCK of all kinds from your home nursery at about one-third to one-half of the prices charged by agents for outside or distant nurseries. Our complete Spring Price List will be out about Dec. 1, but you should **not delay** accepting our **Special Offer.** Other stock may be ordered later, if desired, from our complete list, but that might be too late for this offer. Fill in the order blank Coupon below and mail it in to us. You need not pay us a cent until you call for the trees next Spring.

All orders will be acknowledgesd promptly.

Senators Beat Yanks and Go Into the Lead

Babe Ruth Drives Out 41st Circuit Clout—Blues Remain in the Slough of Despond.

Washington went into the lead in the American League yesterday by defeating the Yanks 11 to 6 in an eighth inning rally. Babe Ruth drove out his forty-first home run this season. Detroit and St. Louis were idle yesterday. Percentages of first division teams:

Washington .571; New York .569; Detroit .545 and St. Louis .512.

In the National League New York did not play yesterday and retained its lead, having a percentage of .620. Pittsburg bowed before the Cincinnati Reds 4-5 and the Pirates dropped to .578. Brooklyn also did not play and is in third position, with a percentage of .561 with Chicago and Cincinnati in fourth and fifth at .549 and .524.

Caldwell pitched a good game for the Kansas City Blues but errors by his team mates lost the game to Minneapolis 4-5 and the Blues sunk lower.

Hough is Not Called Upon for Testimony

Grand Jury Now In Session—M. R. Brant, Bedford Attorney, Appointed To Defend Him.
(Omaha World-Herald.)

Bedford, Ia., Aug. 29.—Carl Hough, 23, under charges of first degree murder for the death of Lillian McKinney, 21, Herrick, S. D., was not called upon for testimony by the grand jury, now in session. An indictment against him has not yet been returned.

When the jury was formed Tuesday, Hough was present in the courtroom, but failed to challenge any jurors. He protested that he had no attorney, and M. R. Brant of Bedford was appointed to defend him. Richard Oran, Missouri Valley attorney, was denied permission to see Hough Wednesday when he could not produce credentials that he had been retained as the prisoner's attorney.

Oran insisted that he had been engaged to defend Hough, but refused to say by whom. Sheriff Will Parrish believes that Oran was hired by Hough's father, Miron Hough of St. Charles, S. D.

Sheriff Will Parrish said tonight that he expected Elmer McKinney of Herrick, S. D., father of the victim, to arrive in Bedford tomorrow morning to testify before the grand jury.

Cline May Not Return to Maryville Church

Methodist Conference to Be Held in Richmond Next Wednesday—Shemwell to Attend Also.

The Rev. B. F. Cline of the M. E. Church, South, will leave next Tuesday for Richmond, where he will attend the annual Missouri conference. The conference convenes Wednesday, Sept. 3 and will be in session until Monday, Sept. 8, when the appointments will be read.

The indications are that the Rev. Mr. Cline will not be returned to Maryville. He has been here the past three years and has been one of the popular pastors of the city.

The Rev. M. L. Shemwell, pastor of the churches at Wilcox and Pleasant Grove, will also attend the conference. It is thought probable that the Rev. Mr. Shemwell will also not be returned here next year.

One of the main subjects at this conference will be the discussion of the unification of the two branches of Methodist Churches. This matter will be voted on at this conference.

The Rev. Mr. Cline will occupy the pulpit of the M. E. Church, South, Sunday morning. He will also preach at the Union Church services to be held Sunday evening at the Presbyterian Church.

Geo. C. Butts Returns from His Vacation

George C. Butts, city editor of the Democrat-Forum, who has been on a two weeks' vacation, returned last night to resume his duties on the editorial staff. While on his vacation, Mr. Butts spent several days with his parents, Mr. and Mrs. H. C. Butts of Chillicothe, and also visited friends and relatives at Topeka, Kan., and Kansas City, St. Joseph and Rosendale. While he was away Merle Seleeman took Mr. Butts' place as city-editor.

Mrs. Mills Leaves.

How to build up your Weight
TO be under weight often proves low fighting-power in the body. It often means you are minus nerve-power, minus red-cells in your blood, minus health, minus vitality. It is serious to be minus, but the moment you increase the number of your red-blood-cells, you begin to become plus. That's why S. S. S., since 1826, has meant to thousands of underweight men and women, a plus in their strength. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your body. More red-blood-cells! S. S. S. will build them.

S. S. S. is sold at all good drug stores in two sizes. The larger size is more economical.

This demonstration school, which will be conducted in the College building, will open Sept. 9 and its terms and vacations will be the same as the College proper. Thirty students will be accepted for enrollment in the eight grades of the school for the coming year. Applications should be phoned at once to Miss Nell Hudson at the College. There is NO ENROLLMENT FEE to this department of the College.

The school this year will be taught and supervised by Miss Mary Keith, a specialist in elementary instruction from the University of Missouri. Parents, who enroll their children in this school, will be insured of the highest type of instruction by an educational expert.
